

## 4 DAY THABANA NTLENYANA HIKE KIT LIST

### PASSPORTS AND VISAS:

Passport absolutely essential: No passport = no entry into Lesotho.

South African ENTRY/EXIT regulations: On 1 June 2015, South Africa brought into effect new regulations applying ONLY to children under 18 years of age. Any child of any nationality will require the following when departing from or arriving in South Africa:

- 1) **A CHILD TRAVELLING WITH BOTH PARENTS:** A Birth Certificate which has the names of both parents on it. This must be either an original or a copy which has been certified by a Commissioner of Oaths. (In SA, a police station will certify such copies)
- 2) **A CHILD TRAVELLING WITH ONE PARENT ONLY:** The birth certificate as well as an affidavit (an official letter stamped and signed at a police station) from the non-travelling parent giving permission for the child to travel into and/or out of South Africa.
- 3) **A CHILD TRAVELLING WITH AN ADULT WHO IS NOT THEIR PARENT:** If the child is travelling with another adult, this person must produce the birth certificate as well as an affidavit from the parents giving the child permission to travel into and/or out of South Africa with this adult, copies of the parents' identity documents and their contact details
- 4) **A CHILD TRAVELLING UNACCOMPANIED:** If the child is travelling unaccompanied, the child must produce the birth certificate as well as an affidavit from the parents giving the child permission to travel into and/or out of South Africa and the parents' contact details as well as the identity documents and contact details of the person receiving the child in South Africa.

If you unsure about any aspect of these regulations, contact us for clarity, or else contact your nearest South African embassy or if in SA, the nearest Home Affairs office.

NOTE that we have spoken to the station commander at the South African border post at Sani pass and he is inclined to be somewhat lenient to people on our tours, but he suggests that anyone unsure contact him directly to clarify their individual situation as follows:

Captain Dlamini of the Sani Pass border post on +27 33 7029000 or +27 33 7029001 or +27 33 7029002

**Visa for entry into Lesotho:** Certain countries require visas for Lesotho, especially from South America, eastern Europe and some countries in Asia and Africa. Please see Lesotho visa list on our website [www.sanilodge.co.za](http://www.sanilodge.co.za) or check the official Lesotho Government website at <http://www.foreign.gov.ls/services/default.php> or contact your local Lesotho Embassy.
